**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I implore you to keep competition alive and allow new companies to develop the technology that will propel this country forward. Fiber is critical to my home and wouldn't be possible without a smaller provider in my area. Do not allow AT&T to monopolize bundled cables and remove access to smaller providers.
